

Netherlands Society of Behavioural Biology

Program Annual Meeting 2005, 23 –25 November

(more info see: www.gedragsbiologie.org)

WEDNESDAY, 23 NOVEMBER 2005

1730 - 1800 Registration

**1800 -
2000** Dinner + Bar open

Chair: Marcel Visser
2000 - 2100 G. P. BAERENDS LECTURE

Dr. Alex Kacelnik (University of Oxford) Tool-oriented behaviour in New Caledonian Crows

2100 - **Posters** + Bar open

THURSDAY, 24 NOVEMBER

0800 - **BREAKFAST**
0850

Chair:

0900 – 1000 **Simon Reader** (University of Utrecht) *Comparative studies of social learning and innovation*

1000 – 1030 **Matthew Bruce** (University of Utrecht) Silk decorations in spiders: a behavioural and phylogenetic perspective

1030 – 1045 **Poster talks**

1045 – 1110 coffee in poster area

, Chair:

1115 – 1145 **Marian Comas** (University of Groningen) Phase responses in mice: effects of pulse duration in complete and 'skeleton' light pulses

1145 – 1215 **Jerry Hogan** (University of Toronto) Circadian system as a causal factor for sleep in junglefowl chicks

1230 – 1330 Lunch

Chair

1330 – 1400 **Charlotte Hemelrijk** (University of Groningen) Female dominance throughout the order of primates: a measure and data

1400 – 1425 **Jutta Steinhauser** (University of Groningen) How do smaller females dominate bigger males?

1425 – 1450 **Maaïke Kempes** (University of Utrecht) Post-conflict behaviour in rhesus monkeys with a background of social deprivation

1450 – 1515 **Machteld Verzijden** (University of Leiden) Mate choice preference, sympatric speciation and two sympatric Lake Victoria cichlid species

1515 - 1545 Tea poster area

1545 – 1610 **Paula den Hartog** (University of Leiden) Behavioural and genetic variation across a hybrid zone between two African dove species

1610 – 1635 **Peter Korsten** (University of Groningen) Primary sex ratio adjustment to experimentally reduced UV attractiveness in blue tits

1635 – 1700 **Marion Nicolaus** (University of Groningen) Sex or numbers: what affects competition in nestling Great tits?

1700 – 1725 **Lyanne Brouwer** (University of Groningen) Testosterone levels and sperm storage in relation to social status of males in the cooperatively breeding Seychelles warbler: natural variation and an experimental test

1730 – 1800 Posters + bar open

1800 – 1900 Dinner

- 1900 – 2000 Huishoudelijke vergadering
- Chair: Ton Groothuis
- 2000 – 2100 **Rui Oliveira** (University of Lisbon) *Androgens, social context and behaviour*
- 2100 - **Borrel** Drinks sponsored by Noldus Information Technology bv. Demonstration of *EthoVision* and *The Observer*

Agenda Huishoudelijke vergadering

1. Notulen jaarvergadering 2003
2. Verslag over jaar 2004
3. Financieel jaarverslag 2004 & verslag Kaskommissie
4. Plannen en begroting voor 2005
5. Nieuwe bestuursleden
6. Benoeming nieuwe Kaskommissie
7. Internationale ontwikkelingen en bijeenkomsten
8. Rondvraag
9. Sluiting

FRIDAY, 25 NOVEMBER

- 0800 – 0850 Breakfast

Chair:

- 0900 – 1000 **Ton Groothuis** (University of Groningen) *Hormone mediated maternal effects*
- 1000 – 1030 **Johan van Rhijn** (Open University) Teaching behaviour and observation on distance

1030 – 1100 Coffee

Chair

- 1100 – 1125 **Hans Slabbekoorn** (University of Leiden) Cities change the song of birds
- 1125 – 1150 **Marie-Jeanne Holveck** (University of Leiden) Preferred songs predict preferred males: female zebra finches show consistent and repeatable preferences in different testing paradigms
- 1150 – 1215 **Nicole Geberzahn** (University of Leiden) Memorization of novel songs in adult Nightingales
- 1215 – 1230 **Annemieke van der Kooij** (NWO) Ontwikkelingen bij NWO

1230 – 1330 Lunch

- 1330 – 1400 **Serge Daan** (University of Groningen) Circadian Behaviour on the European Agenda: BRAINTIME, CLOCKWORK, EUCLOCK
- 1400 – 1430 **Lucas Noldus** (Noldus Technologies) Neuro-Bsik Mouse Phenomics: from scientific challenge to economical perspective.
- 1430 – 1500 **Hans Spoolder** (WUR Lelystad) Welfare Quality measuring, improving and profiting from animal welfare

- 1500 – 1510 Poster prizes and closure by Marcel Visser (president NVG)

- 1510 – 1530 Tea and end of meeting**

MEGA projects in behavioural biology

Please return your key and name badge before leaving.....

This annual meeting has been financially supported by the division *Earth and Life Sciences* of the *Netherlands Organisation for Scientific Research (NWO)*.
